

WE'RE CRUSHING MISCONCEPTIONS & SHAKING UP THE WAY STUDENTS LOOK AT MANUFACTURING.

WE'RE BUILDING... FIERCE BOTS AND A WORKFORCE WITH METTLE.

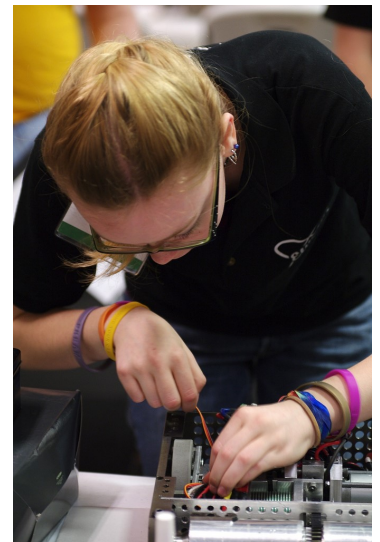

PARTICIPATING SCHOOLS:

Basehor-Linwood High School
Bonner springs High school
Clay-Platte Home Educators
Iowa State University
Kansas State University
KCKCC-TEC
Lee's Summit North
Manhattan STEM
McLouth High School
Mission Valley High School
NDSU
Oak Park High School
Olathe Northwest High School
Osage City
Pittsburg State University
Rockhurst High School
Ruskin High School
Seaman High School
SERAPH Academy for young evil geniuses
Spring Hill High School
Summit Technology Academy
Webb City High School
Winfield Middle School

INDUSTRY PARTNERS:

Abbott Workholding Products
AJL Machine Shop & Welding LLC
Andy Borst
B/E Aerospace
C&R Manufacturing
Castle Creations
CNR
Conrad Machine Inc.
Creative Blow Molding
Goodyear Tire and Rubber
Harris Fabrications
Heartland Fabrication and Machine Inc.
HF Mixing
Josh Hensley
KCKCC
KSU BAE Machinery
K-Ter Imagineering
Livers Bronze
MCCKC
Mid-Am Building supply
Midwest BRD
NCS Manufacturing
Oxygen & PSU Systems

Pro-Con
RubberMaid
S&S Alloy Steel Inc.
Standard Sheet Metal
Ultra Source LLC
Unitech
Webco Manufacturing

FEEL THE IMPACT.

In our students. In our industry. In our city. In our future.
